ELEPHANT BUTTE FIRE DEPARTMENT

The Elephant Butte Fire Department's motto is "Serving Our Community". We as volunteers are serving the community with our acts of service as first responders, EMTs, Firefighters, and Support Crew. Being a volunteer has an important role within the community. Being a volunteer means that you are giving a part of yourself for the betterment of your community for your department. We as a department like to remember this little thing, "Honor and Privilege" or like we say H&P. It is always an honor to serve side by side and it is a privilege to serve our community. Be proud to be a part of something bigger than yourself.

We are working on updating our critical care list to identify residents who depend on electricity for medical devices. With this list we will be able to assist Sierra Electric to ensure our residents in need have backup power in case of an emergency. Please contact the Fire Administration Office if you would like to be placed on this list.

Contact Chief Long for additional information;
