CODE ENFORCEMENT CORNER

With the start of the new year we would like to take the time to remind the residents of the incorporated city limits of Elephant Butte of some common code violations. Broken down vehicles stored in yards, accumulation of garbage, overgrown weeds are all becoming a common occurrence. These all fall under our General Nuisance Code 135.06. With a new year ahead of us lets work together on maintaining code compliance and cleaning up our properties. Contact Tudy Romero for any questions 575.740.4783.

ELEPHANT BUTTE FIRE DEPARTMENT

Now that the Holidays have come to an end the Elephant Butte Fire Department would like to remind everyone to eliminate clutter. Keep items away from heat sources like stoves, space heaters, and fireplaces. Clutter can block exits and restrict access to emergency personnel and equipment.

The Elephant Butte Fire Department is thankful and grateful for the ongoing support from the community we serve. It is an honor and a privilege to serve Elephant Butte.

Elephant Butte Fire Department is always looking for additional volunteers. We offer different levels of volunteering to fit different schedules. We have our support staff that aid on large incidents and special events but do not actively engage in fire scenes. Then we have our active members that respond to call outs. We invest in those who invest in our community. We do inhouse trainings and more skilled trainings. Come be a part of something bigger than yourself.

Elephant Butte Fire Department would like to wish three members Happy Birthday this month; C. Young, A. Long, and Lt. Farless!
